SEC. 503. EFFECTIVE DATE.

The amendments made by this title shall be applicable only with respect to wages paid on or after May 1, 1948.

PAR. 2. Section 405.201, as amended by Treasury Decision 5492, approved January 30, 1946, is further amended as follows:

(A) By inserting in the paragraph beginning with the words "In using the percentage method with respect to wages paid on or after January 1, 1946," immediately after the expression "January 1, 1946," which occurs twice in such paragraph, the expression "and before May 1, 1948,"

(B) By inserting immediately preceding the paragraph beginning with the words "Where the withholding" the following:

In using the percentage method with respect to wages paid on or after May 1, 1948, reference must be made to the percentage method with respect to wages paid on or after May 1, 1948, are summarized as follows:

Step 1. Multiply the amount of one withholding exemption by the number of exemptions claimed by the employee.

Step 2: Subtract the amount determined in step 1 from the employee's wages.

Step 3: Multiply the difference by 0.15.

The result is the amount of tax to be withheld.

Example. After April 30, 1948, an employee has a weekly payroll period, for which he is paid \$75, and has in effect a withholding certificate claiming three exemptions. His employer, using the percentage method, computes the tax to be withheld as follows:

Step 1.	
Amount of one withholding exemption.....	\$13.00
Multiplied by number of exemptions claimed on Form W-4.....	×3
Total withholding exemptions.....	39.00
Step 2:	
Total wage payment.....	75.00
Less amount determined in step 1.....	39.00
Balance subject to tax.....	36.00

Step 3:

Tax to be withheld (balance multiplied by 0.15).....	5.40
--	------

PAR. 3. Section 405.202, as amended by Treasury Decision 5492, is further amended as follows:

(A) By inserting immediately after Example (4) in paragraph (a) the following:

Example 5. After April 30, 1948, Employee E is paid wages and has a weekly payroll period. The number of withholding exemptions claimed by E is two. E's wages are determined at the rate of \$1.20 per hour. During a certain payroll period he works 40 hours and earns \$48. In computing the tax, the amount of two withholding exemptions, or \$26, is allowable, and the balance of \$22 is subject to tax.

Example 6. After April 30, 1948, Employee F is paid wages and has a weekly payroll period. The number of withholding

exemptions claimed by F is zero. F's wages are determined at the rate of \$10 per day. During a certain week F worked only two days and resigned. The tax is computed on the entire amount of \$20.

(B) By striking from the next to the last sentence of the example in paragraph (b) the words "or a subsequent year" and inserting in lieu thereof "1947, or before May 1 in 1948"

(C) By inserting immediately after the last sentence of such example in paragraph (b) the following: "If, however, the wages were paid on or after May 1, 1948, the amount of the withholding exemption allowable for the 12-day period in computing the tax at the 15 percent rate is \$43.20 ($12 \times (2 \times \$1.80)$)"

(D) By inserting after Example (2) in paragraph (c) the following:

Example 3. On April 1, 1948, C was employed by the Z Real Estate Co. to sell real estate on a commission basis, commissions to be paid only upon consummation of sales. The number of withholding exemptions is one. On May 20, 1948, C received a commission of \$300. Again on June 15, 1948, C received a commission of \$400. The amount of the withholding exemption in respect of the commission paid on May 20 is \$90 ($\1.80×50). In respect of the commission paid on June 15 the amount of the withholding exemption is \$46.80 ($\1.80×26).

(E) By inserting immediately after Example (4) in paragraph (d) the following:

Example 5. After May 1, 1948, an employee having a daily payroll period is paid wages of \$12 per day. The number of withholding exemptions claimed by such employee is one. The amount of each such daily wage payment subject to withholding is \$10.20 ($\$12.00 - \1.80).

Example 6. An employee works for a certain employer for 4 days and after April 30, 1948, he is paid \$36. The number of withholding exemptions claimed by the employee is two. The amount of the withholding exemption allowable is \$14.40 ($4 \times \3.60).

(F) By inserting immediately after "January 1, 1946," in the next to the last sentence of the paragraph in paragraph (d) which begins with the words "To illustrate" the words "and before May 1, 1948,"

(G) By inserting at the end of such paragraph in paragraph (d) beginning with the words "To illustrate" the following: "Under the same set of facts, if the wages are paid on or after May 1, 1948, the amount of the withholding exemption is \$26 ($2 \times \13)"

PAR. 4. Section 405.203, as amended by Treasury Decision 5492, is further amended as follows:

(A) By inserting immediately after "January 1, 1946," in the last sentence of paragraph (a) the words "and before May 1, 1948,"

(B) By inserting at the end of paragraph (a) the following: "With respect to wages paid on or after May 1, 1948, the wage bracket tables contained in section 1622 (c) as amended by the Revenue Act of 1948 are to be used."

(C) By striking "or a subsequent year" from the last sentence of the example in paragraph (c) and inserting in lieu thereof "1947, or before May 1 in 1948"

(D) By inserting immediately after such last sentence in paragraph (c) the following: "If, however, the wages were

paid on or after May 1, 1948, the tax required to be withheld under the table applicable to a miscellaneous period would be \$0.60 multiplied by the number of days in such period or \$7.20 for the 12-day period."

(E) By inserting immediately after Example (2) in paragraph (d) the following:

Example 3. On April 1, 1948, C is hired by the Z Real Estate Co. to sell real estate on a commission basis, commissions to be paid only upon consummation of sales. The number of withholding exemptions claimed by C is one. On May 20, 1948, C received a commission of \$300. Again on June 15, 1948, C received a commission of \$400. Under the wage bracket method, the amount of tax to be deducted and withheld in respect of the commission paid on May 20 is \$32.50, which amount is obtained by multiplying \$0.65 (tax under wage bracket table for a daily or a miscellaneous payroll period where wages are at least \$6.00 but less than \$6.25 a day) by 50 (number of days elapsed); and the amount of tax to be withheld with respect to the commission paid on June 15 is \$52, which amount is obtained by multiplying \$2.00 (tax under wage bracket table for a daily or a miscellaneous payroll period where wages are at least \$15.00 but less than \$15.50 a day) by 26 (number of days elapsed).

(F) By inserting immediately after Example (4) in paragraph (e) the following:

Example 5. After April 30, 1948, an employee having a daily payroll period is paid wages of \$7 per day. The number of withholding exemptions claimed by the employee is one. Under the table applicable to a daily payroll period, the amount of tax to be deducted and withheld from each such payment of wages is \$0.80.

Example 6. During 1948 an individual is hired for four days and on or after May 1, 1948, he is paid wages of \$36. The number of withholding exemptions claimed by him is two. The amount of tax to be deducted and withheld under the wage bracket method is \$3.20 ($4 \times \0.80).

(G) By striking out the last sentence of paragraph (f) and inserting in lieu thereof the following: "Thus, with respect to wages paid on or after May 1, 1948, if the payroll period of an employee is weekly and the wage payment of such employee is \$255.25 the employer may compute the 15 percent of the excess over \$200 as if the excess were \$55 instead of \$55.25."

PAR. 5. There is inserted immediately preceding § 405.205 the following:

SEC. 202. TECHNICAL AMENDMENTS. (Revenue Act of 1948, Title II.)

(b) *Withholding exemptions*—(1) *In general.* Section 1622 (h) (1) of the Internal Revenue Code is hereby amended to read as follows:

(1) *In general.* An employee receiving wages shall on any day be entitled to the following withholding exemptions:

(A) An exemption for himself.

(B) One additional exemption for himself if, on the basis of facts existing at the beginning of such day, there may reasonably be expected to be allowable an exemption under section 25 (b) (1) (B) (i) (relating to old age) for the taxable year under Chapter 1 in respect of which amounts deducted and withheld under this subchapter in the calendar year in which such day falls are allowed as a credit.

(C) One additional exemption for himself if, on the basis of facts existing at the beginning of such day, there may reasonably be expected to be allowable an exemption under section 25 (b) (1) (C) (i) (relating to the blind) for the taxable year under Chapter 1 in respect of which amounts deducted and withheld under this subchapter in the calendar year in which such day falls are allowed as a credit.

(D) If the employee is married, any exemption to which his spouse is entitled, or would be entitled if such spouse were an employee receiving wages, under subparagraph (A), (B), or (C), but only if such spouse does not have in effect a withholding exemption certificate claiming such exemption.

(E) An exemption for each individual with respect to whom, on the basis of facts existing at the beginning of such day, there may reasonably be expected to be allowable an exemption under section 25 (b) (1) (D) for the taxable year under Chapter 1 in respect of which amounts deducted and withheld under this subchapter in the calendar year in which such day falls are allowed as a credit.

(2) *Status determination date.* In the case of an individual entitled to an additional withholding exemption under section 1622 (h) (1) of the Internal Revenue Code by reason of the amendment made thereto by paragraph (1) of this subsection, the term "status determination date" as used in section 1622 (h) (3) (B) of such Code includes also the ninetieth day after the date of the enactment of this Act.

SEC. 201. ADDITIONAL CREDITS AGAINST NET INCOME FOR NORMAL TAX AND SURTAX. (Revenue Act of 1948, Title II.)

Paragraphs (1) and (2) of section 25 (b) of the Internal Revenue Code are hereby amended to read as follows:

(1) *Credits.* There shall be allowed for the purposes of both the normal tax and the surtax, the following credits against net income:

(A) An exemption of \$600 for the taxpayer; and an additional exemption of \$600 for the spouse of the taxpayer if a separate return is made by the taxpayer, and if the spouse, for the calendar year in which the taxable year of the taxpayer begins, has no gross income and is not the dependent of another taxpayer;

(B) (i) An additional exemption of \$600 for the taxpayer if he has attained the age of 65 before the close of his taxable year; and

(ii) An additional exemption of \$600 for the spouse of the taxpayer if a separate return is made by the taxpayer, and if the spouse has attained the age of 65 before the close of such taxable year, and, for the calendar year in which the taxable year of the taxpayer begins, has no gross income and is not the dependent of another taxpayer;

(C) (i) An additional exemption of \$300 for the taxpayer if he is blind at the close of his taxable year; and

(ii) An additional exemption of \$600 for the spouse of the taxpayer if a separate return is made by the taxpayer, and if the spouse is blind and, for the calendar year in which the taxable year of the taxpayer begins, has no gross income and is not the dependent of another taxpayer. For the purposes of this clause the determination of whether the spouse is blind shall be made as of the close of the taxable year of the taxpayer, unless the spouse dies during such taxable year, in which case such determination shall be made as of the time of such death;

(iii) For the purposes of this subparagraph an individual is blind only if either: his central visual acuity does not exceed 20/200 in the better eye with correcting lenses, or his visual acuity is greater than 20/200 but is accompanied by a limitation in the fields

of vision such that the widest diameter of the visual field subtends an angle no greater than 20 degrees;

(D) An exemption of \$600 for each dependent whose gross income for the calendar year in which the taxable year of the taxpayer begins is less than \$500, except that the exemption shall not be allowed in respect of a dependent who has made a joint return with his spouse under section 51 for the taxable year beginning in such calendar year.

(2) *Determination of status.* For the purposes of this subsection—

(A) the determination of whether an individual is married shall be made as of the close of his taxable year, unless his spouse dies during his taxable year, in which case such determination shall be made as of the time of such death; and

(B) an individual legally separated from his spouse under a decree of divorce or of separate maintenance shall not be considered as married.

SEC. 203. TAXABLE YEARS TO WHICH AMENDMENTS APPLICABLE. (Revenue Act of 1948, Title II.)

The amendments made by this title shall be applicable with respect to taxable years beginning after December 31, 1947. For treatment of taxable years beginning in 1947 and ending in 1948, see section 601.

PAR. 6. Section 405.205, as amended by Treasury Decision 5492, is further amended as follows:

(A) By inserting immediately after the paragraph beginning with the words "The number of exemptions" the following: "With respect to wages paid on or after May 1, 1948, the number of exemptions to which an employee is entitled on any day depends also on his status as to old age and blindness."

(B) By inserting after the paragraph beginning with the words "A single person" the following: "With respect to wages paid on or after May 1, 1948, a single person may also be entitled to withholding exemptions for old age and blindness, as explained below."

(C) By inserting immediately after the paragraph beginning with the words "A married person" the following: "With respect to wages paid on or after May 1, 1948, a married person may also be entitled to withholding exemptions for himself and for his spouse because of old age or blindness, as explained below."

(D) By striking "For" from the first sentence of the paragraph beginning with the words "For the purpose of determining" and inserting in lieu thereof "With respect to wages paid before May 1, 1948, for"

(E) By inserting immediately preceding the paragraph beginning with the words "Subject to" the following paragraph:

With respect to wages paid on or after May 1, 1948, for the purpose of determining the number of withholding exemptions to which an employee is entitled for himself and his spouse on any day, the employee's status as a single person or a married person and, if married, whether a withholding exemption is claimed by his spouse shall be determined as of such day, but, in the case of a married person, the withholding exemption for his spouse may be claimed by him for that portion of the taxable year which occurs after the spouse's death. For example, a married employee on a calendar year basis having no dependents has in effect a

withholding exemption certificate claiming one exemption for himself and one for his wife. On May 3, 1948, his wife dies. On May 4, 1948, the employee may continue to claim his wife's withholding exemption. Accordingly, he is not required to file a new withholding exemption certificate until December 1, 1948.

(F) By inserting at the end thereof the following:

If an employee will have attained 65 years before the end of the taxable year he may claim an additional withholding exemption on account of age with respect to wages paid on or after May 1, 1948. If the employee's spouse will have attained 65 years before the end of such employee's taxable year and such spouse has no withholding exemption certificate in effect claiming such exemption, the employee may also claim an additional withholding exemption on account of age with respect to wages paid on or after May 1, 1948. If the employee is blind, he may claim an additional withholding exemption for blindness with respect to wages paid on or after May 1, 1948. If the employee's spouse is blind and has no withholding exemption certificate in effect claiming such exemption, the employee may also claim an additional withholding exemption for blindness with respect to wages paid on or after May 1, 1948. If both husband and wife are employees receiving wages subject to withholding and the wife is over the age of 65 and has in effect a withholding exemption certificate claiming only one exemption, then her husband may claim one exemption for her on his certificate.

For the purposes of claiming a withholding exemption for blindness, an individual shall be considered blind only if either his central visual acuity does not exceed 20/200 in the better eye with correcting lenses or his visual acuity is greater than 20/200 but is accompanied by a limitation in the fields of vision such that the widest diameter of the visual field subtends an angle no greater than 20 degrees.

PAR. 7. Section 405.206, as amended by Treasury Decision 5492, is further amended by inserting immediately after "dies" in paragraph (a) "before January 1, 1948"

PAR. 8. Section 405.207 is amended by inserting immediately after the sentence beginning with the words "For the purposes" the following: "The additional status determination date provided by the Revenue Act of 1948 for employees claiming the exemption for age or blindness coincides with a regular determination date, namely, July 1, 1948."

TITLE 42—PUBLIC HEALTH

Chapter I—Public Health Service, Federal Security Agency

PART 72—INTERSTATE QUARANTINE

LATHER BRUSHES

Section 72.21 is amended to read as follows:

§ 72.21 *Lather brushes*—(a) *General requirements.* A person shall not transport, or offer for transportation by the owner or operator of a conveyance, nor shall the owner or operator of a conveyance knowingly transport for another person, in interstate traffic lather brushes made from animal hair or bristles unless:

(1) Such brushes have been imported in compliance with the provisions of § 71.151 of this chapter; or

(2) Such brushes have been manufactured in the United States, its territories, or possessions in compliance with the provisions of paragraphs (b), (c) (d), (e) and (f) of this section.

(b) *Treatment.* The hair or bristles used in such brushes, if other than badger hair, shall be subjected to sterilization or to a treatment found by the Surgeon General, upon application of an interested person and the submission by such person of supporting data, to be effective to destroy anthrax spores in the hair or bristles to be treated. Badger hair shall be subject to the requirement of sterilization or other treatment only if the Surgeon General finds, and so notifies the manufacturer, that the hair was secured from areas, or has been stored or handled under circumstances, likely to render it an agent in the spread of communicable diseases from one State or possession to another.

(c) *Sterilization.* Sterilization shall consist of:

(1) Exposure to steam under pressure in an autoclave at a minimum temperature of 120° C. (248° F.) for 15 minutes for bristles and 20 minutes for hair or

(2) Exposure to streaming steam in an autoclave (not under pressure) at 100° C. (212° F.) for 30 minutes for bristles and 40 minutes for hair.

In either case, the steam temperature shall be measured in the exhaust line at its exit from the autoclave by an indicating thermometer found by the Surgeon General to give reasonable assur-

ance of accuracy, and by a recording thermometer adjusted to read no higher at any time than the indicating thermometer. The time of exposure shall be measured from the moment at which the indicating thermometer reaches the specified sterilization temperature. Recording thermometer charts for each sterilization shall be kept readily available. The hair or bristles shall be sterilized in tied or wrapped bundles not exceeding 2½ inches in diameter and 5 inches in length, or in untied and unwrapped lots not exceeding 2½ inches in depth. The bundles or lots shall be placed on racks or trays in single layers, with the racks or trays separated from each other sufficiently to assure free circulation of the steam and the exposure of all the hair or bristles to such steam. If the hair or bristles are placed in the autoclave in wrapped bundles, the ends of the bundles shall be left open.

(d) *Handling and storage.* Hair or bristles which have been treated, by sterilization or otherwise, shall be marked with the date of treatment, the method used, and name and location of the establishment at which treatment occurred, and shall be so handled and

stored as to prevent their contamination or recontamination with anthrax spores.

(e) *Identifying marks.* Lather brushes shall be marked permanently with the name of the manufacturer or with an identifying mark of the manufacturer registered with the Surgeon General.

(f) *Inspection.* Persons engaged in processing or other handling of hair or bristles for use in lather brushes manufactured for transportation in interstate traffic and persons engaged in manufacturing such lather brushes from hair or bristles shall permit authorized representatives of the Surgeon General to make at any reasonable time such inspection of the plants or other places, including the equipment, operations, and products thereof, at which such manufacturing, processing or handling is carried on as may be necessary in the judgment of such representatives to determine compliance with the provisions of this section.

The foregoing amendment, further implementing the provisions of section 361 of the Public Health Service Act, 58 Stat. 703; 42 U. S. C. 264, is issued for the purpose of preventing the spread of com-

municable diseases from one State or possession to another insofar as the danger of such spread arises from the sanitary conditions under which lather brushes are manufactured and hair and bristles used in the manufacture thereof are stored and handled. Notice of proposed rule making in connection with this amendment was published in the FEDERAL REGISTER on November 19, 1948 (13 F.R. 6816) and the hearing referred to therein was held at the announced time and place.

Effective date. The foregoing amendment shall become effective thirty days after its publication in the FEDERAL REGISTER.
